Fun With Language is a carefully structured and graded series of six books. The series covers specific aspects of the basic primary school language arts programme and ensures a steady progress at each level. It provides stimulating activities to develop the child’s ability to communicate effectively.

FUN WITH LANGUAGE BOOKS 1 and 2 are designed to lay the foundation for communication competence.

The books reflect the experiences to which children can relate and the vocabulary they normally use.

Provision is also made for adequate skill practice which will enable the learners to acquire the grammatical structures and sentence pattern of the target language, English.
