**NATIONAL GRADE SIX ASSESSMENT 2019**

The results of the National Grade Six Assessment (NGSA) written on 17 and 18 April 2019 are being released to schools. Fourteen thousand three hundred **(14,300)** candidates wrote this assessment. The results being released give a report on the candidates' performance at National Grade Six Assessment.

The NGSA results will be available online from 10 am this morning. Parents and students are advised to log onto the following website: **exams.moeguyana.org**. The candidate's timetable will provide the necessary information to access these results.

The Ministry of Education has continued its collaboration with the Caribbean Examinations Council (CXC) to improve the quality of all primary grade assessments. Teachers, subject specialists and test development officers developed the test items with the technical guidance of the Caribbean Examinations Council, addressing key areas such as item construction, weighting of items, sampling and other psychometric elements. Candidates were tested in four subjects namely, Mathematics, English, Science and Social Studies. The examination in each subject area consisted of two papers. Paper One consisted of forty multiple choice items while Paper Two consisted of essay type or open ended items.

Areas tested for each subjects were:

- |                  |   |   |
|------------------|---|---|
| Mathematics      | - | Knowledge, Algorithmic Thinking, Reasoning  |
| Science          | - | Knowledge, Comprehension, Application   |
| Social Studies   | - | Knowledge, Conceptual Understanding, Use of Knowledge   |
| English Language | - | Reading, Comprehension and Vocabulary: Structure and Mechanics; Content, Focus, Vocabulary; Language and Organization |

The **highest possible standardized scores** obtainable were:

Mathematics	133
English	130
Social Studies	138
Science	135

The **highest possible total score** obtainable was **536**

## OVERALL SUBJECT ANALYSIS – 2019

Improved performance was recorded in Mathematics for 2019 as compared to 2018. In 2019, 42% of the candidates secured 50% and more, whereas 38.3% gained 50% and more, in 2018. All administrative regions recorded improvements in Mathematics, with Regions 2, 3 and 8 showing significant improvement. A stable performance was recorded in English in 2019; 57.4% of the candidates gained 50% and more as compared to 2018 where 60.6% of the candidates gained 50% and more in 2019. 39% of the candidates gained 50% and more in Social Studies and 42.4% gained 50% and more in Science. The Ministry of Education has continued to implement the Emergency Mathematics Intervention Plan. This plan, entailed a number of aspects such as training for teachers in content and methodology, facilitating fortnightly cluster meetings in all Regions, recruitment of Mathematics coordinators and monitors, training of Officers and School Administrators to supervise the teaching of Mathematics, administering a diagnostic assessment of pupils in the hinterland Regions prior to training of teachers, enhancement of public relations and parental involvement in the education of children.
