

MINISTRY OF EDUCATION
EXAMINATIONS DIVISION
NATIONAL GRADE SIX ASSESSMENT 2020

The results of the National Grade Six Assessment (NGSA) written on July 01 and 02, 2020, are being released to schools. Fourteen thousand thirty two (**14,032**) candidates wrote this assessment. The results being released give a report on the candidates' performance at National Grade Six Assessment. The administration and the marking of the National Grade Six Assessment 2020 followed the national COVID 19 guidelines and protocols.

The NGSA results will be available online from 13:00 h. Parents and students are advised to log onto the following website: **<http://exams.moeguyana.org>**. The candidates' timetable will provide the necessary information to access these results.

The Ministry of Education has continued its collaboration with the Caribbean Examinations Council (CXC) to improve the quality of all national primary grade assessments. Teachers, subject specialists and test development officers developed the test items with the technical guidance of the Caribbean Examinations Council, addressing key areas such as item construction, weighting of items, sampling and other psychometric elements. Candidates were tested in four subjects namely, Mathematics, English, Science and Social Studies. The examination in each subject area consisted of two papers. Paper One consisted of forty multiple choice items while Paper Two consisted of essay type or open ended items.

Areas tested for each subject were:

- | | | |
|------------------|---|---|
| Mathematics | - | Knowledge, Algorithmic Thinking, Reasoning |
| Science | - | Knowledge, Comprehension, Application |
| Social Studies | - | Knowledge, Conceptual Understanding, Use of Knowledge |
| English Language | - | Reading, Comprehension and Vocabulary: Structure and Mechanics; Content, Focus, Vocabulary; Language and Organization |

The **highest possible standardized scores** obtainable were:

Mathematics	136
English	129
Social Studies	128
Science	135

The **highest possible total score** obtainable was **528**
